Del Mar Home Improvement Show ~ Del Mar Fairgrounds ~ Jan. 23 – 25, 2015

Forced Freight: RCS shall not be liable for goods not picked up by customer's chosen carrier by the show deadline. It is customer's responsibility to complete accurate paperwork for shipping and insure its goods are appropriately labeled. Customer acknowledges that it is a lessee of space and as such has an obligation to remove its goods on or before the targeted time. If goods remain on the floor after this point, RCS has the right to remove them in order to restore the premises to its original condition for show management pursuant to the venue's lease with show management. In such cases RCS is authorized to proceed in the manner chosen by customer on the order for material handling services / straight bill of lading. Failure to select one of the provided options will result in re-routing at RCS' discretion and at customer's expense assuming the goods are labeled for return. RCS retains the right to dispose of goods left on the show floor without liability if left unattended or without labels.

Concealed Damage: RCS shall not be liable for concealed loss or damage, uncrated goods or improperly packaged or labeled goods.

Unattended Booth: RCS shall not be liable for any loss or damage occurring while goods are unattended in customer's booth at any time, including but not limited to the time the goods are delivered to the dock until the time the goods are received by customer's chosen carrier. All material handling forms and or straight bills of lading covering outgoing goods submitted to RCS will be checked at the time of pickup from the booth and corrections to the count or condition will be documented where discrepancies exist.

No Insurance: RCS is not an insurance company and does not offer or provide insurance. It is the obligation of the customer to ensure goods are insured at all times. Loss or theft of the goods in storage or in transit to and from the show and or while on the show floor is the sole responsibility of the customer, unless it is shown that RCS performed in a manner that constitutes gross negligence in the performance of its services for the customer.

Notice of Loss or Damage: In order to have a valid claim, notice of loss or damage to goods must be given to RCS or its agent within 24 hours of occurrence or delivery of goods, whichever is later.

Filing of Claim: Any claim for loss or damage to goods must be in writing, containing facts sufficient to identify the goods, asserting liability for alleged loss or damage and making claim for the payment of a specified or determinable amount of money. Such claim must be filed with the appropriate party within the time limits specified below. Damage reports, incident reports, inspection reports, notations of shortage or damage on freight bills or other documents do not constitute filing of a claim. Claims for goods alleged to be lost, stolen or damaged at the show site must be received in writing by RCS within 60 days after the close of the show. Claims for goods alleged to be lost or damaged during transit must be received by the responsible party within 9 months of date of delivery of goods. RCS subcontracts the movement of goods to third party carriers. Claims for damage in transit should be made directly with the customer's carrier as shown on the material handling form or bill of lading. In the event of a dispute with RCS, customer will not withhold payment or any amount due RCS for services as an offset against the amount of the alleged loss or damage. Customer agrees to pay RCS prior to the close of show for all such charge and further agrees that any claim customer may have against RCS shall be pursued independently by customer as a separate action to be resolved on its own merits. RCS retains the right to pursue collection on amounts owed after show close without regard to any amount alleged to be owed for damage or loss.

Filing of Suit: Any action at law regarding loss or damage to goods must be filed within two years of the date of declination of any part of a claim. →
